

## MBE Score Transfer Form

This form is to be utilized only if the jurisdiction where you took the MBE does not utilize the NCBE Score Transfer Service.

**An MBE score certification will not be accepted directly from an applicant.**

### Criteria for Transfer

MBE scores may be transferred to Florida if the following criteria are met:

- **The MBE score was a scaled score of 136.0 or greater.**
- **The MBE score was attained within 25 months of passing Part A of the General Bar Examination and the MPRE or within 25 months of the date you anticipate taking those portions of the examination.**

If the NCBE provides the service of transferring MBE scores for the state in which you took the examination, you must use the NCBE Score Transfer Service. A list of jurisdictions for which the NCBE provides this service can be found at [www.ncbex.org/ncbe-exam-score-services/mbe-score-services](http://www.ncbex.org/ncbe-exam-score-services/mbe-score-services). If the jurisdiction is listed on that website, follow the steps indicated to transfer your MBE score to Florida in lieu of using this form.

If the required jurisdiction is not listed, you must contact that jurisdiction directly, and utilize this form to affect the transfer of your MBE score. Since rules and policies of jurisdictions change, you are strongly advised to consult all jurisdictions directly for the most accurate and current information for completing this process, including any required fees.
