III. ACCOMMODATIONS RECOMMENDED FOR THE FLORIDA BAR EXAMINATION (CHECK ALL THAT APPLY)

The Florida Bar Examination is a timed written examination administered in three-hour sessions from 9:30 a.m. to 12:30 p.m. and from 2:00 p.m. to 5:00 p.m. on Tuesday and Wednesday as scheduled twice each year. There is a lunch break from 12:30 p.m. to 1:30 p.m. each day.

The first day consists of three essay questions in the morning session and 100 multiple-choice questions in the afternoon session. The essay questions are designed to assess, among other things, the applicant's ability to communicate his/her analysis effectively in writing. Applicants may use their personal laptop computers to type their answers, or they may handwrite their answers.

The second day consists of 200 multiple-choice questions (MBE), with 100 questions administered in the morning session and 100 questions in the afternoon session. Applicants record their answers by darkening circles on an answer sheet that is scanned by a computer to grade the examination.

Applicants are assigned seats, two per eight-foot table, in a room set for 1500 to 3500 applicants. They are not allowed to bring food, beverages, or other items into the testing room unless approved as accommodations. The examination is administered in a quiet environment, and applicants are allowed to use small foam earplugs. Restrooms and water fountains are located in the examination room for use by applicants; however, they must do so, within the time allotted for the test session.

Taking into consideration this description of the examination and the functional limitations currently experienced by the applicant, what test accommodation (or accommodations, if more than one would be appropriate) do you recommend?

Test question formats:
